May 2014 - DM Partners sign strategic agreement with Arianna SIM .

We have stipulated a strategic agreement with Arianna SIM, a major financial operator in the field of bonds issue – with a strong focus also on MINI BONDs for SMEs – in measures supporting stock exchange listing processes and in the area of M&A..

With this agreement, our consultancy company can benefit from a network that includes over 80 top foreign financial operators.

This highly qualified service means DM Partners stands as one of the very few forces in central Italy capable of offering top level support to Italian SMEs with serious development projects.
